

BODNANT GARDENS CONWY

PROJECT DESCRIPTION

Working with the National Trust and CADW, TACP has successfully undertaken a series of commissions at the historic Bodnant gardens, including conservation and architectural design.

COMPLETED PROJECTS:

- Refreshments Pavilion
- Conservation of Victorian Conservatory
- Conservation and rebuild of weir and bridge at Water gardens

FEASIBILITY / SKETCH PROPOSALS:

- Visitor Centre
- Visitor Toilet facilities

The Refreshment Pavilion seats 140 people and has been designed to blend in with the natural surroundings, providing a light and airy environment in keeping with the gardens.

Job no: 5285
Project Sheet no: 005
