

# ST JOSEPH'S CATHOLIC AND ANGLICAN HIGH SCHOOL WREXHAM

## PROJECT DESCRIPTION

TACP has recently completed a major redevelopment of St Joseph's Catholic and Anglican High School. This exciting project involved the creation of a shared faith school between the Catholic Diocese of Wrexham and the Church in Wales Diocese of St Asaph.

The project includes the major refurbishment of the existing buildings and the creation of new-build science laboratories, sports hall, drama and music suite, catering facilities, and the refurbishment of the open courtyard to form a new internal multi-use space. The project also includes improvements to the existing sports fields, car-parking and playgrounds, and is supported with funding from the Welsh Assembly Government.
