

NEWI WREXHAM UNIVERSITY SECTOR COLLEGE WREXHAM

PROJECT DESCRIPTION

TACP has provided a variety of services to NEWI, which has now obtained university status. These services include planning advice for the Grade II Listed main building, and architectural services for a range of projects and improvements at the campus.

Having completed a sensitively designed first floor administration extension to the main complex which has listed building status, further Feasibility Studies have been undertaken for a new seminar/staff social centre, and the refurbishment of an engineering block for administration accommodation.

Upgrading of internal areas has been undertaken within the listed building complex, involving TACP's interior design and conservation divisions.
