

RUABON BUSINESS PARK RUABON

PROJECT DESCRIPTION

TACP undertook an initial commission for Wynnstey Estates to secure full planning cover for a 14 hectare development providing approximately 500,000 sq/ft of B1 accommodation. The commission included preparation of a masterplan for the historic estate which is accredited Capability Brown.

TACP provided further architectural services to the preferred developer Liberty Properties. This included progressing the design to incorporate detailed requirements for potential occupiers and progressing a further phase. Consent for mixed use including retail, offices and doctors' surgery and crèche.
