

DEGANWY QUAY HOTEL DEGANWY

PROJECT DESCRIPTION

Deganwy Quay Hotel is set on the edge of the River Conwy, with spectacular views across the estuary to Conwy castle. The hotel is located on the original quay that forms the harbour.

TACP Architects were appointed to prepare detailed drawings for the construction of the 4-star hotel, spa and leisure complex. With approximately 100 premier ensuite bedrooms and prestigious apartments, the hotel is arranged around a central courtyard, and its overall layout is designed to maximise the outstanding views available.

Job no: 5563
Project Sheet no: 047
