

YALE BUSINESS VILLAGE WREXHAM

Job no: 5448
Project Sheet no: 052

PROJECT DESCRIPTION

Yale Business Village is a large commercial development set within Wrexham Technology Park in the centre of Wrexham. The project provides 11 purpose-built office and commercial units, with associated infrastructure. The project Clients, Central Retail and Liberty Properties Ltd, commissioned TACP to produce the overall masterplan of the site, and design each individual unit to the tenants' specific criteria. TACP's commission also included working with the main contractor within a 'Design & Build' contract. The project has been developed on a phased basis over a number of years, with a total development cost of circa £6 million. The end users for the site include NSPCC, Moneypenny, Amcor Packaging, NFU Mutual and St John's Ambulance.
